[Phenomenological Research Methods Clark Moustakas](#)

A video player interface showing a slide with text. The slide has a light blue sky and green landscape background. In the top left corner, there is an orange square with the white text 'jai'. The main text on the slide reads: "The goal of qualitative phenomenological research is to describe a 'lived experience' of a phenomenon. As this is a qualitative analysis of narrative data, methods to analyze its data must be quite different from more traditional or quantitative methods of research." The video player has black bars at the top and bottom.

jai

The goal of qualitative phenomenological research is to describe a "lived experience" of a phenomenon. As this is a qualitative analysis of narrative data, methods to analyze its data must be quite different from more traditional or quantitative methods of research.
